近日想换个 XP 64 位系统玩，但在下载镜像时发现 XP 64 位只有英文版，没有中文版。无奈之下只能在英文版的基础上安装中文语言包来实现中文简体化。下面介绍下中文语言包安装汉化过程：

1.英文系统安装过程，与中文版安装一样：

XP 64 位镜像下载

ed2k://|file|en_win_xp_pro_x64_vl.iso|614166528|69C268B5F717E29EB81BA5E506FF15EA|/

中文语言包

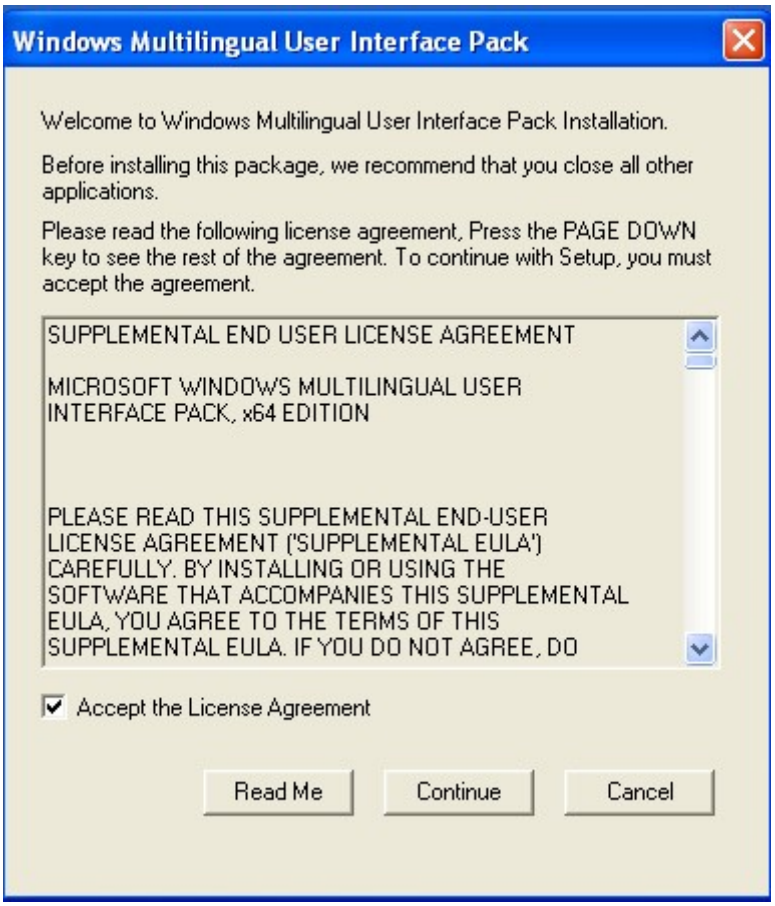

ed2k://|file|mui_winxp_pro_x64_cd3.iso|589086720|0F04289761688F0586F87CED4F5193AE|/

Windows XP sp2（x64）VOL 版有效安装密钥：
B66VY-4D94T-TPPD4-43F72-8X4FY
VCFQD-V9FX9-46WVH-K3CD4-4J3JM

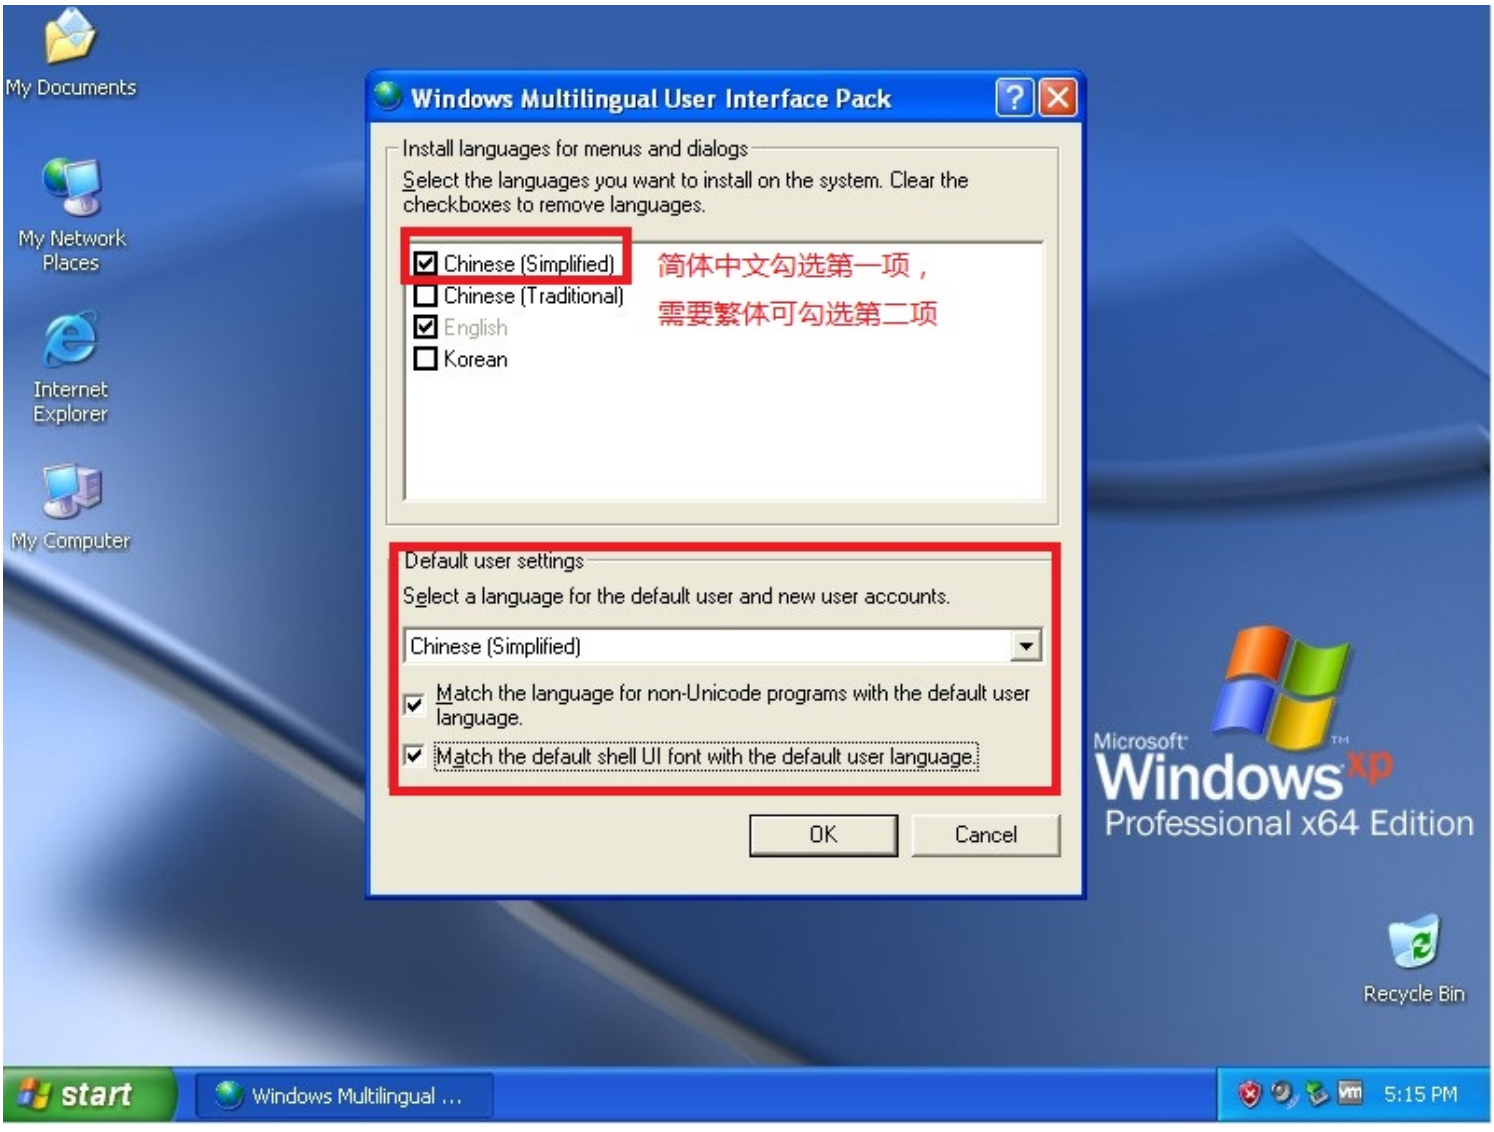

2.在系统安装完成后，进入桌面调出“我的电脑”“网上邻居”“回收站”图标，我们会发现它们显示的名字都是英文的；如图：

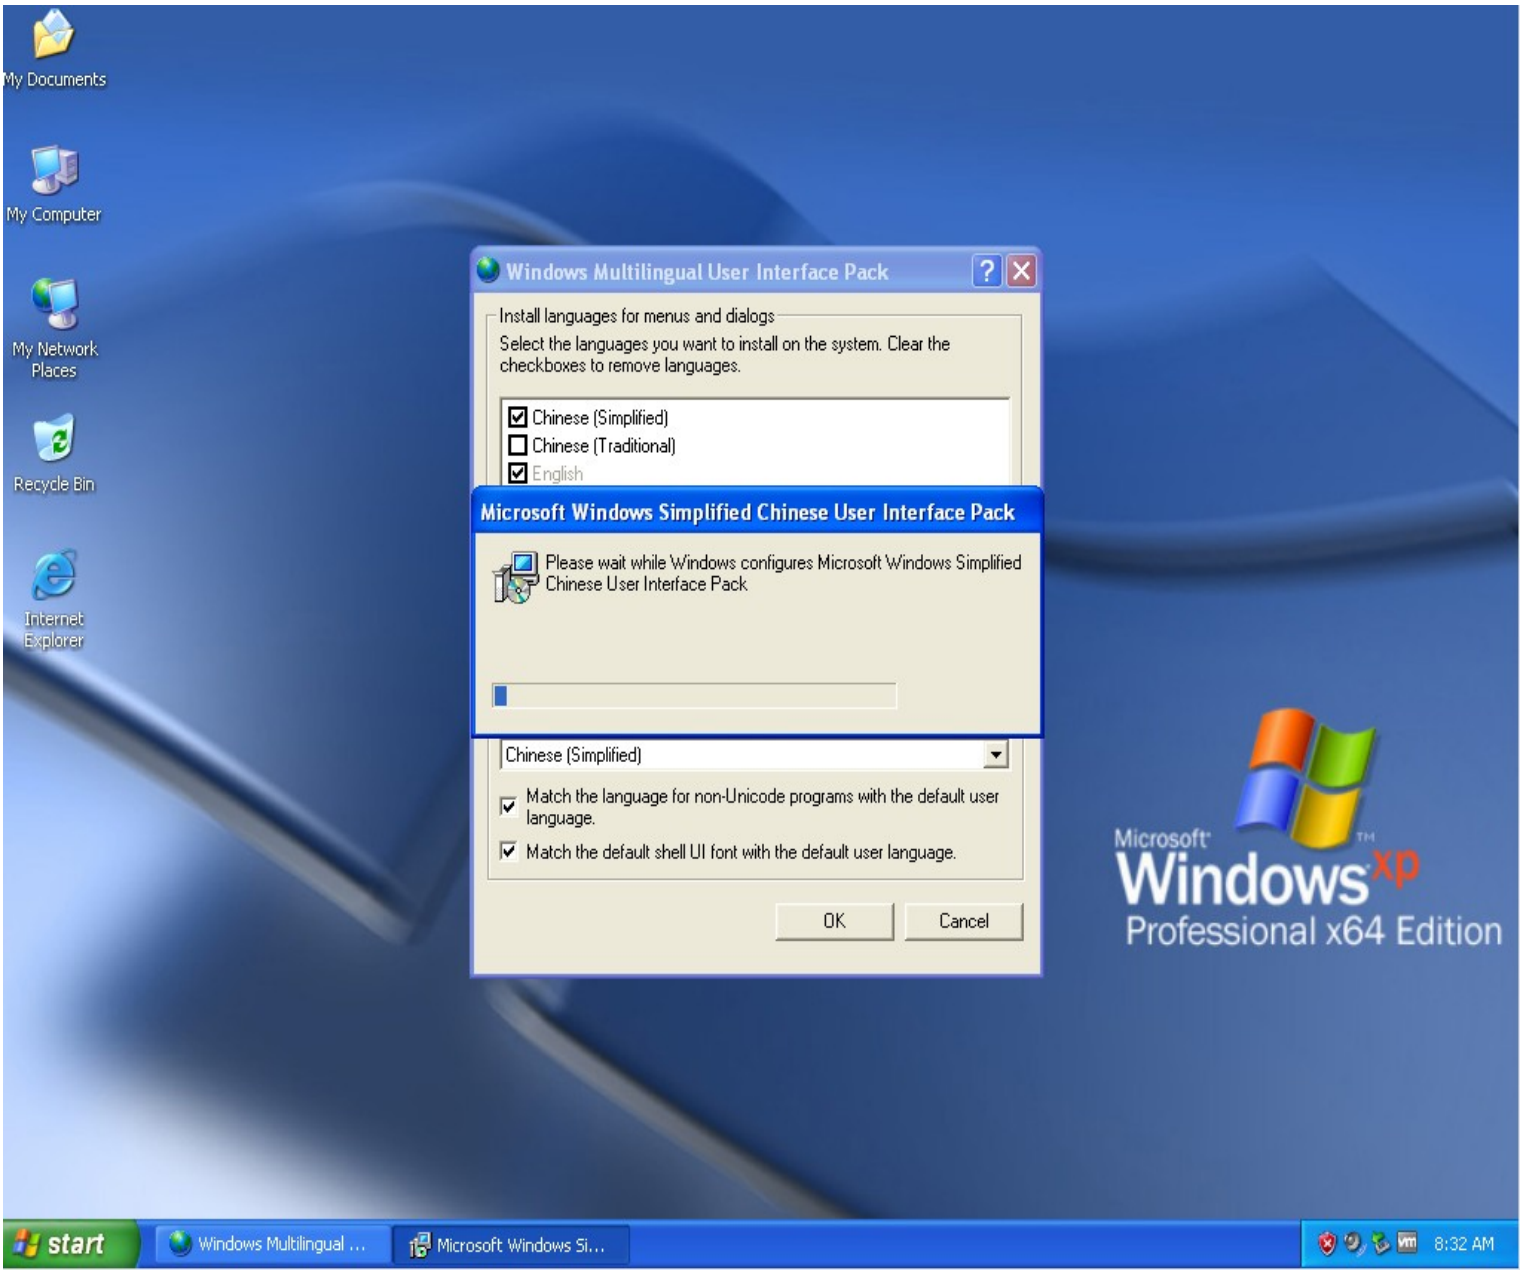

此时我们需要安装中文语言包。运行下载好的语言包程序：

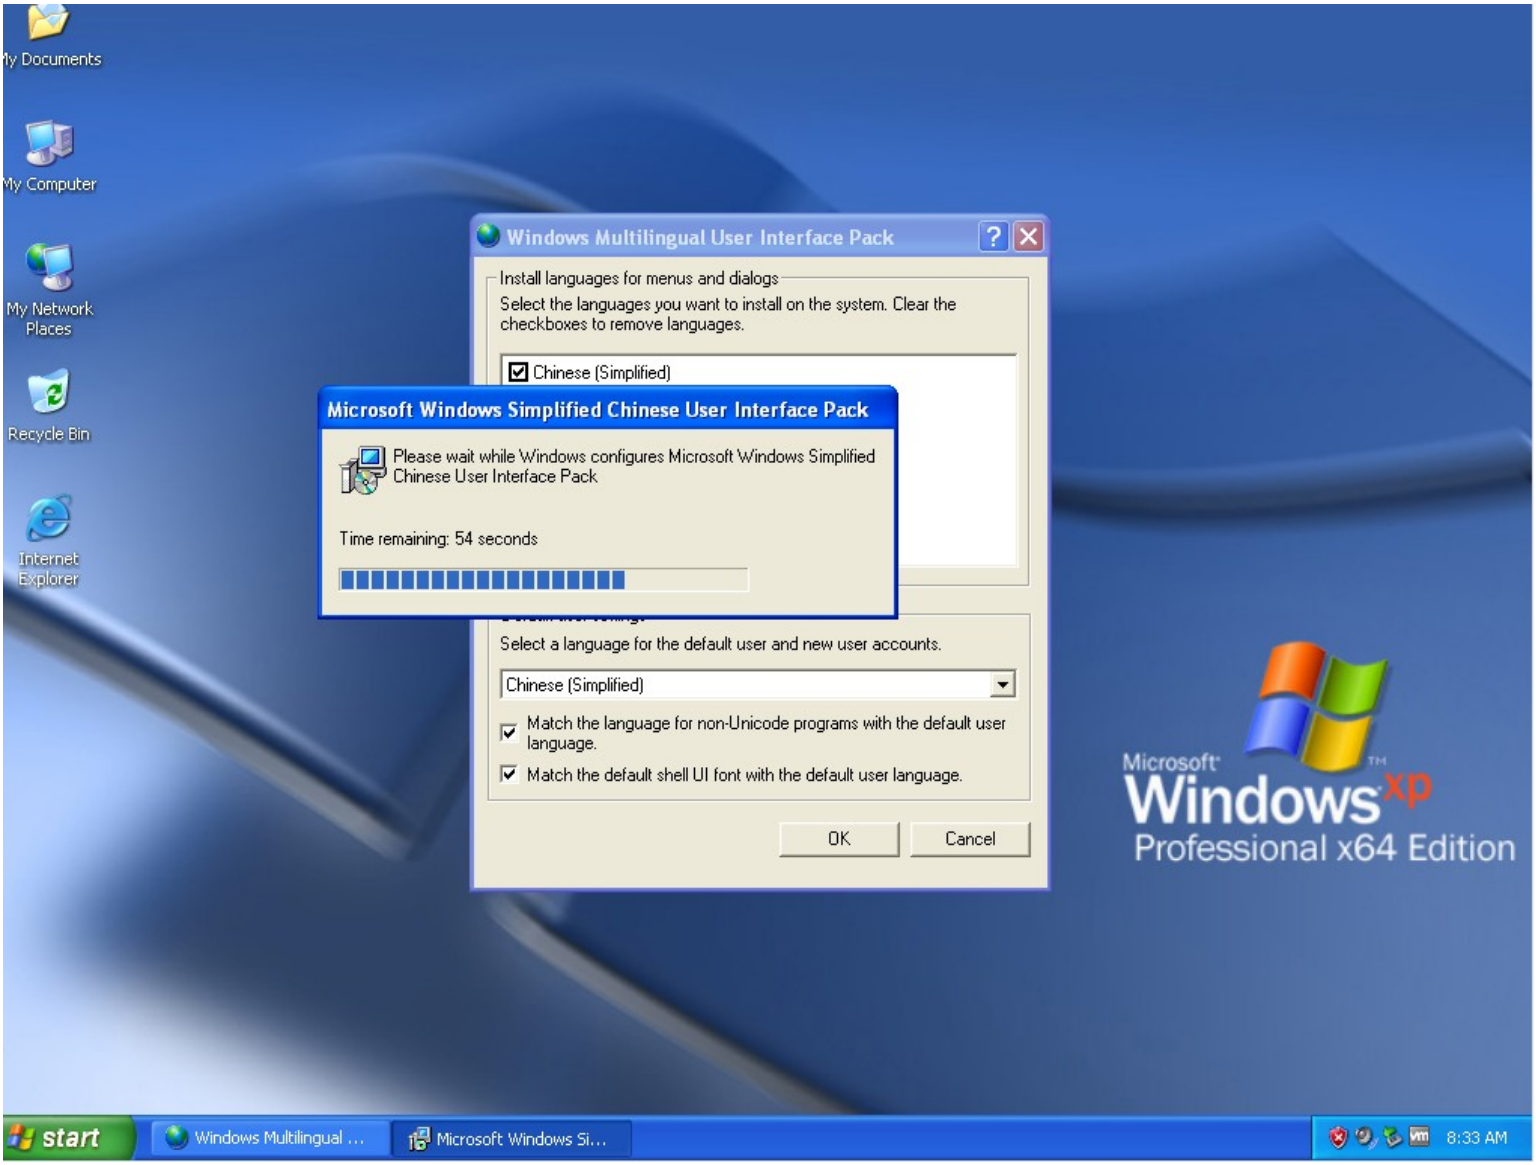

勾选“Accept the License Agreement"，然后点击“continue”

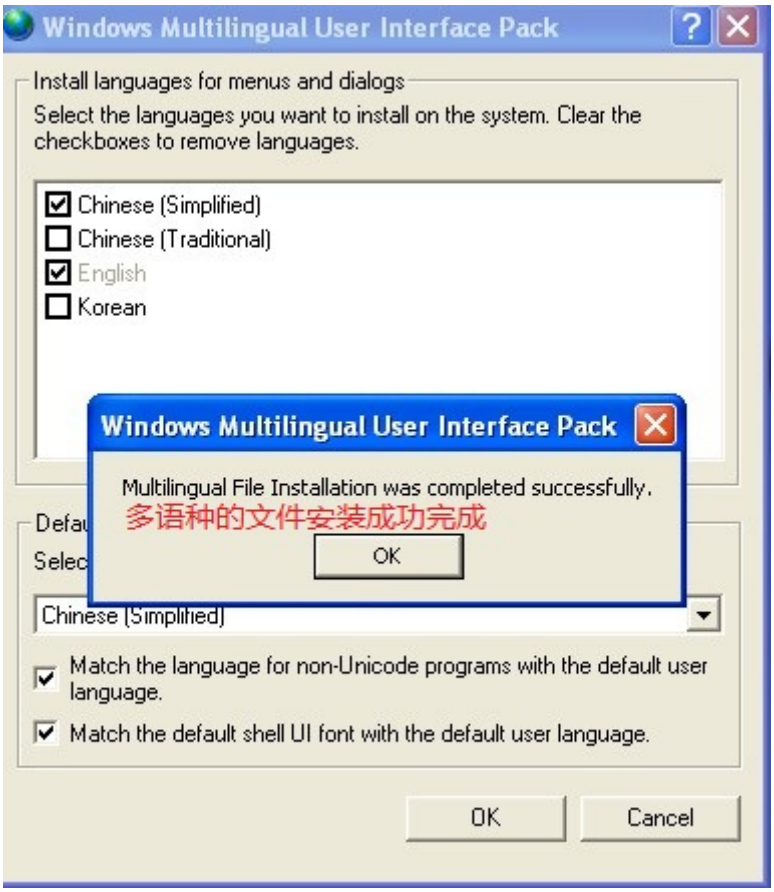

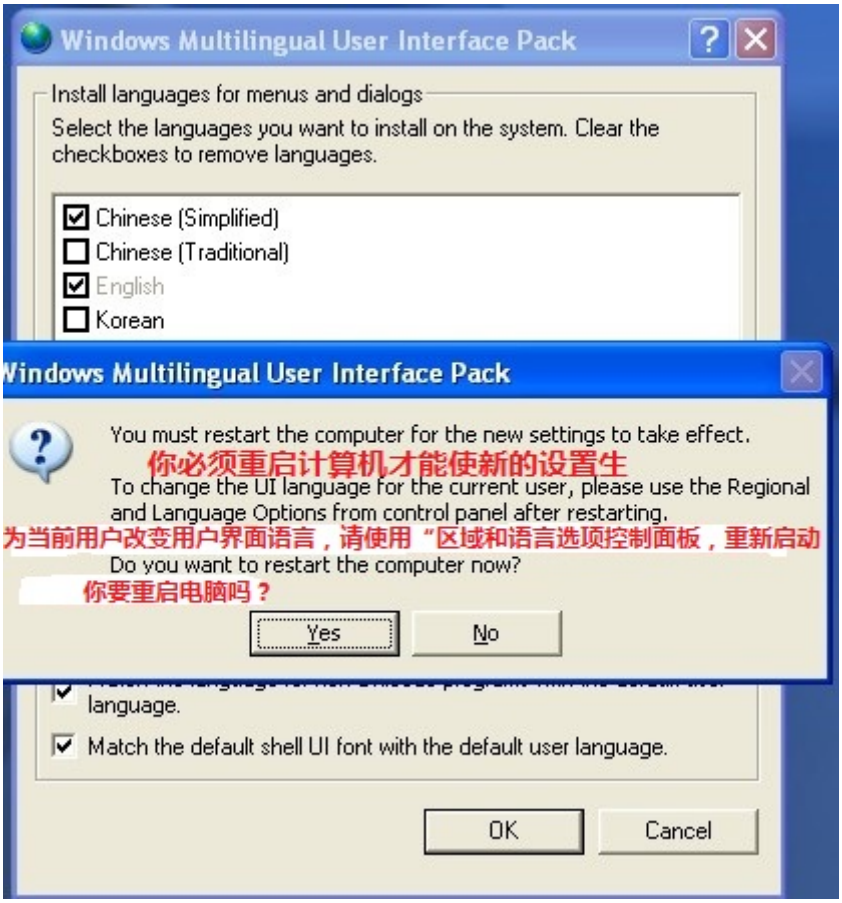

按上图红色方框选择，点击“OK”

在此过程中会提示“需要插入 XP 64 位系统光盘”，将系统光盘放入光驱，此时系统会自动复制一些文件

My Documents
My Computer
My Network Places
Recycle Bin
Internet Explorer
Windows Multilingual User Interface Pack
Install languages for menus and dialogs
Select the languages you want to install on the system. Clear the checkboxes to remove languages.

Cancel

文件复制完后，会提示需要重启电脑，重启电脑后进入的还是英文版界面，这时候就需要做一些设置了，

第一步：依次打开 Star -> Control Panel ->Regional and Language Options

(开始-控制面板-区域和语言选项）

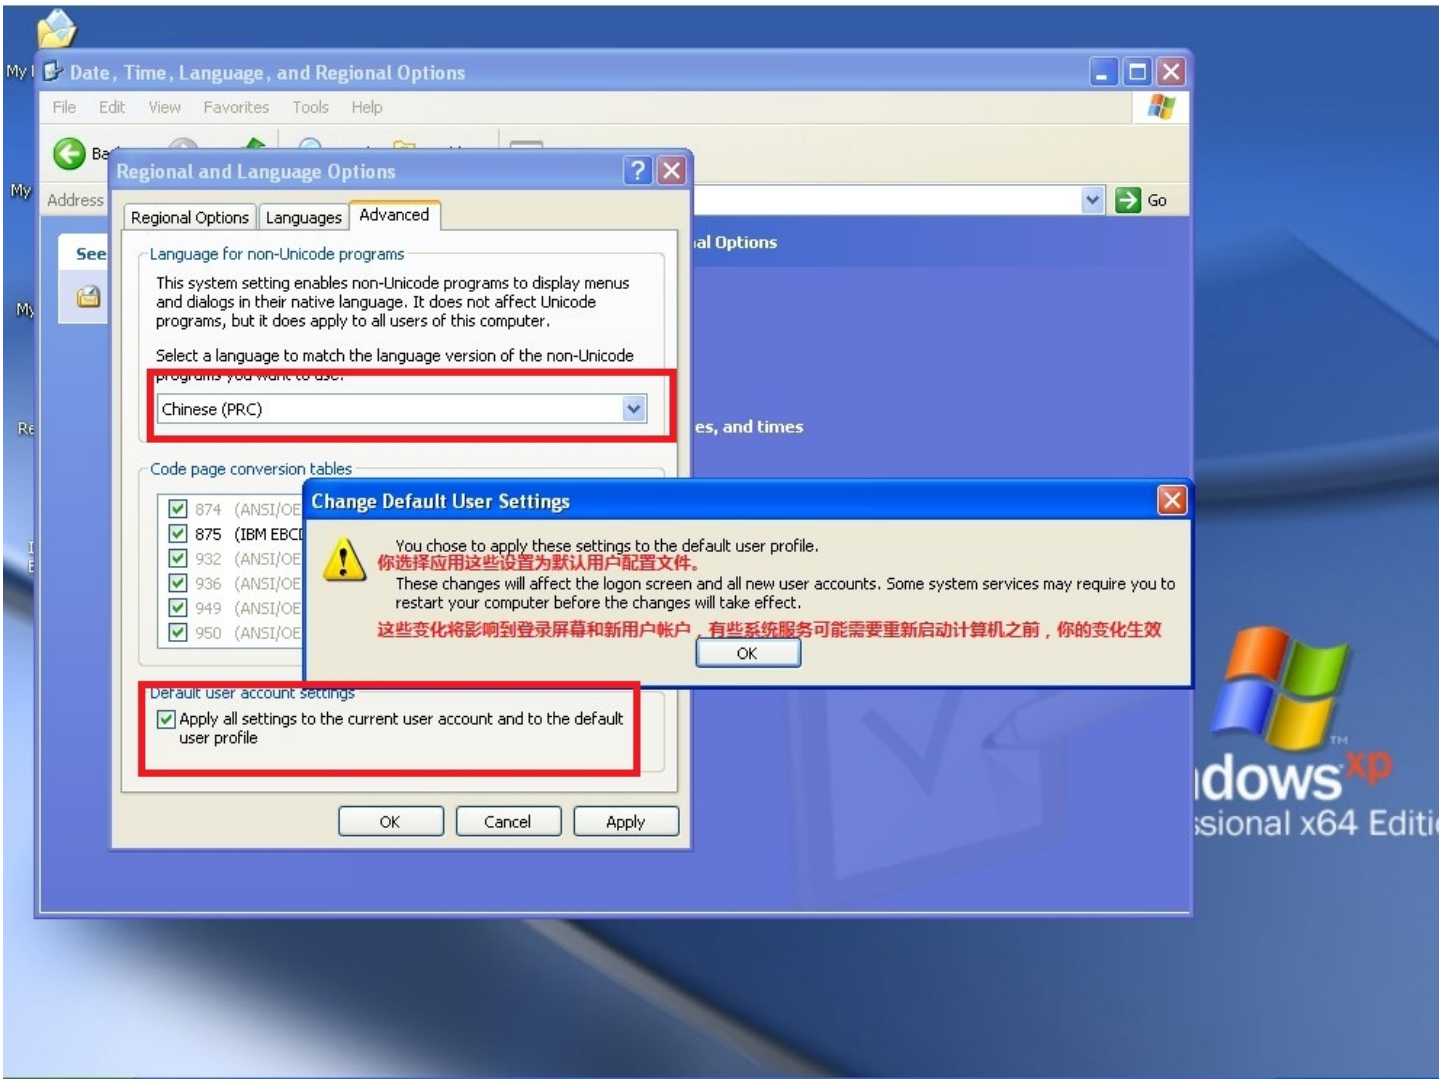

第二步：按下图红色方框选择：

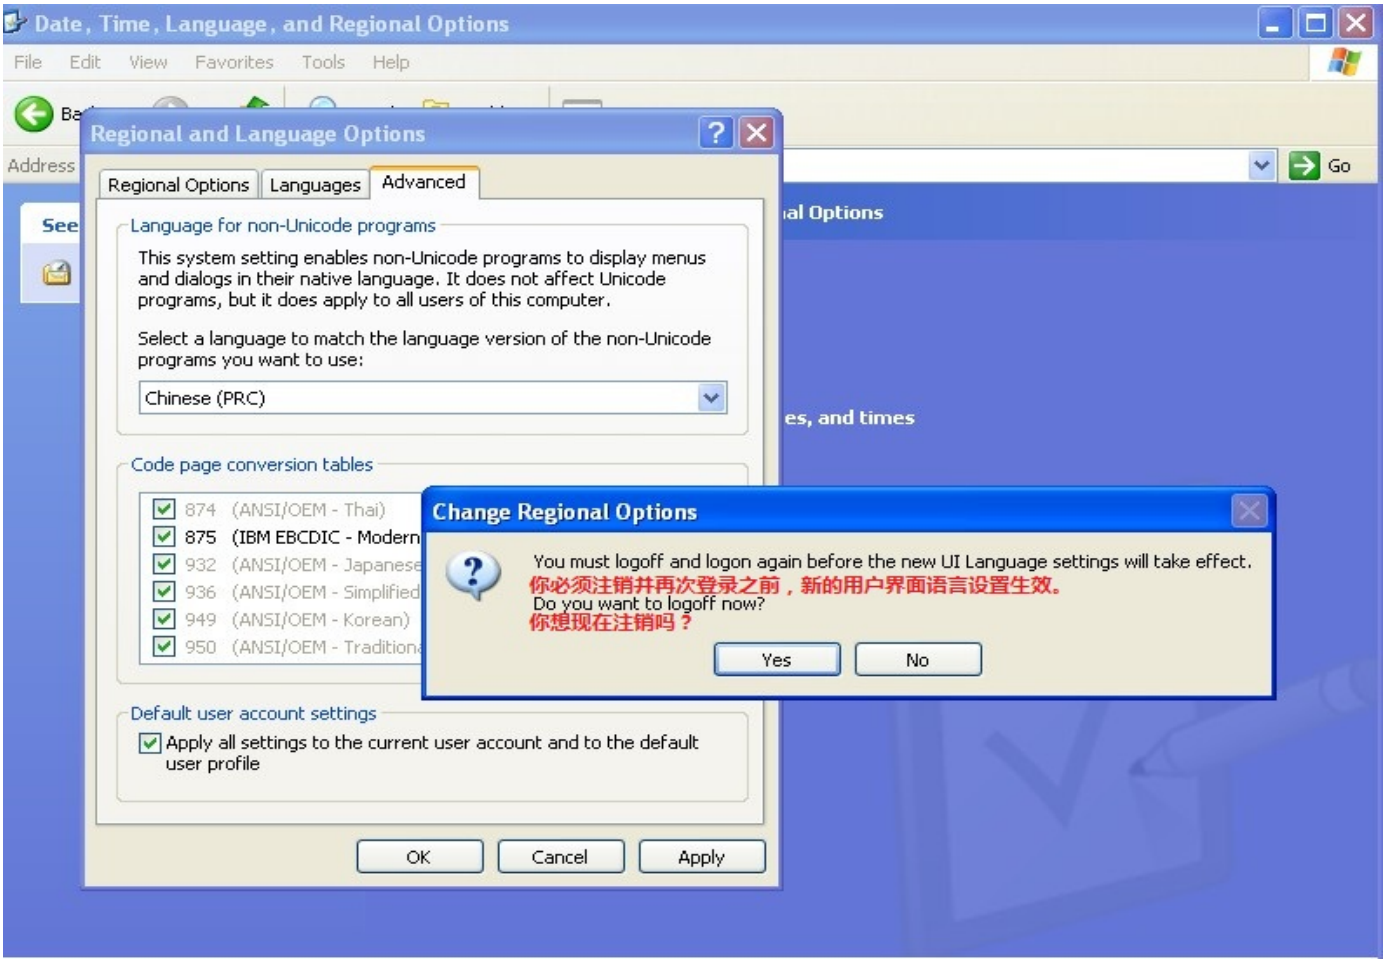

第三步：见下图，按红色字提示选择：

第四步：按红色方框选择后，点击“APPLY”，弹出提示框，点“OK"

再弹出个对话框，点 “YES”

注销重启后，就得到了我们需要的 XP 64 位中文简体版系统。
